LEAP

Lead/Empower/Assist Parents

A Workshop for Parents and Providers of Children with Special Needs

This day long workshop is designed with parents & providers of special needs children in mind. Some breakout topics include:

- How to be your child's best advocate
- Parenting strategies to manage behavior
- Simple solutions to everyday issues
- Assistive technology in early childhood
- Communication support and sensory Information
- Legal Planning for a child with disabilities
- Tips & Strategies for IEP's
- Strategies for parents to maintain healthy relationships with each other
- Encouraging self-determination skills

Keynote: Inspirational panel of students share their experiences of building "Connections" through peer tutoring, social events & extracurricular activities that benefit all students. Leave with a toolkit to help make a difference at your child's school.
