**ENROLL TODAY AT CAMPINVENTION.ORG OR
CALL 800.968.4332 TO RECEIVE \$25 OFF BY 3/28/2013.**

**EXTRA \$5 OFF FOR
REGISTERING ONLINE!**

Dear Parent:

Your child's learning doesn't have to end when the school year does. Camp Invention's summer day program, for students entering grades One through Six, immerses your child in a four-day experience where he or she will discover creativity and inventiveness through hands-on, creative problem solving activities.

By enrolling your child in Camp Invention's 2013 program, you'll give them the opportunity to invent, discover, explore and achieve while developing the skills they will need to compete in the 21st Century. The program is led by local, highly qualified educators who are passionate about helping children grow through hands-on learning.

This year's CREATE program features:

- ▶ **PROBLEM SOLVING ON PLANET ZAK®** – Survive Planet ZAK! After crash landing, use critical thinking skills to create shelter and clothing, find food, and ultimately build a spaceship to blast off for home!
- ▶ **SAVING SLUDGE CITY™** – Help save the pollution filled Sludge City! Construct eco-friendly buildings and transportation, decontaminate the city's water and generate green solutions!
- ▶ **GEO-GAMES™** – Design sporting and game equipment, get wet and go wild as global games are fused with dynamic, high-energy activities.
- ▶ **I CAN INVENT: LAUNCHITUDE™** – Put physics to use taking apart machines and re-engineering them to create a Duck Chucking Device to destroy competitor duck territory!

As an advocate of hands-on learning, I am thrilled to bring this nationally-acclaimed program to our community. To secure a spot in this year's program, fill out the registration form below.

Sincerely,

Luann Schnur, Director
ischnur@excellenceined.org

Cost: \$220, with discount \$195 or register online for our lowest price of \$190!

2013 CAMP INVENTION REGISTRATION FORM

Kent Career Tech Center (The CREATE Program)
