# Secondary Spotlight

## Kent City MS/HS

Dear KCMS/KCHS Families,

Buckle up! Each year after we return from Spring Break, it seems like a whirlwind finish to the school year. Not only is the weather getting nicer, but there are several events that take place during the spring, which means it will be a mad dash to the finish in Kent City once again in 2023. Spring testing in both buildings marks an important checkpoint as we venture ever closer to June. Read on for important highlights and reminders. Go Eagles!

Sincerely,

Jordan Stuhan  
Secondary Principal

## Highlights and Reminders

### KTC Pro of the Month

Kent City HS student Bryan Gonzalez was selected Pro of the Month in his Automotive program at Kent Transition Center (KTC). Students are selected by their classroom teachers based on characteristics of Going PRO (Professional, Respectful and Ownership) and their attendance. Congratulations Bryan!

### Spring Testing

Students at both KCMS and KCHS will be taking the annual standardized tests during the month of April. The testing is required by the State of Michigan. Although it may not be the most exciting event of the school year for students, we ask that everyone gives their very best effort. Results from these tests are used to gauge how KCCS is performing overall so, naturally, we want to put our best foot forward!

### Light the Night Fundraiser

KCMS students raised nearly \$4,000 for the Leukemia and Lymphoma Society during the month of March. Well done, students!

### KCCS Athletics

Keep up with the Eagles by visiting our [athletic website](#).
