Secondary Spotlight

Kent City MS/HS

Dear KCMS/KCHS Families,

I can't believe my eyes when I look at the calendar. Typing the "Important Dates" on the left-hand side of this page was even more surreal. Although the school year can feel like a grind somewhere in the middle of winter when we rarely see the sun shining, I am never able to comprehend where the time has gone by the time we reach the spring months. It is nearly time to bid farewell to the Class of 2023 and welcome new students to both our MS and HS buildings. As always, the end of the year provides me with the opportunity to reflect on how fortunate I am to serve the students and families in Kent City. It also reignites the excitement that comes with preparing for a new school year in the fall. Read on for Highlights and Reminders as we enter May. Go Eagles!

Sincerely,

A handwritten signature in black ink, appearing to read "J. Stuhan".

Highlights and Reminders

Overall CSAA Activities Champions

Kent City High School won the overall CSAA Activities Championship for the 2022-2023 school year. Included in the calculation of the overall Championship was a third-place finish in Quiz Bowl and first place finishes in both Forensics and Language Arts. Kent City finished with a total of 28 points for these three combined and was 9 points ahead of the second-place school. Well done, Eagles!

Winter Winds

The Kent City Winter Winds traveled to Dayton, Ohio for the Winter Guard International (WGI) World Championships in April. The Winter Winds team has been practicing and competing for several months and the World Championships marked the end of their season for 2023. They performed on Saturday and finished 7th which qualified them to compete at World Championship Finals on Sunday. The students had an amazing run and finished 6th in the nation in Scholastic A.

CSAA Talent Revue

KCHS Students participated in the CSAA Talent Revue during April. Entries from Kent City included two individuals in the performing arts category. Hatcher Linsley was selected to join the traveling performing arts show. Also, KCHS had several students in the visual arts category. Maryellen Meisch and Megan Rode earned all-conference honors in visual arts and Julia Schnicke earned first place recognition in 2-D mixed media.
