### College Day Visit

Students may take College Day visits during their junior and senior year. Absences on the day of college visits will be classified as school related provided the student completes the following procedures:

1. Contact the college they wish to visit and set an appointment date for visit.
2. Inform the main office of the planned visitation date. Fill out bottom portion by parent and college tour guide or college receptionist.
3. Return the signed form to the main office the first day you return from the college visit.
